**Story of the Festival of Lessons and Carols**  
The first service of Nine Lessons and Carols was given at King's College Chapel of Cambridge University on Christmas Eve in 1918. It was based on a service originated in 1880. It has been given in churches all over the world. It was first broadcast in 1928 and is now telecast worldwide. We will do the service on Christmas Day instead of Christmas Eve, and it has been modified to seven lessons and carols to accommodate our usual service elements.
